

How Does Recycling Paper benefit the environment?

For every ton of paper recycled
4,102 kwh of electricity are saved

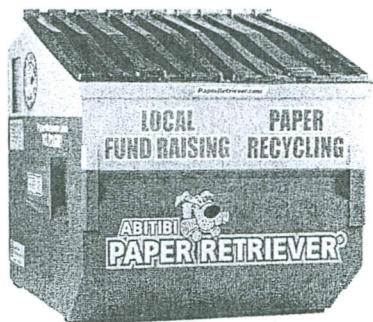

For every ton of paper recycled
7,000 gallons of water are saved

For every ton of paper recycled
60 lbs of air pollutants are avoided

Why recycle your paper in Paper Retriever® bins?

For every ton of paper recycled in the
Paper Retriever® bins, AbitibiBowater
pays a monthly reward to its
participating partners. In 2006 that
came to **over \$4 million dollars.**
