## South Hills YMCA Guides & Princess Programs

**You can make this magic happen for your child.**

The YMCA has designed the YMCA Indian Guides and YMCA Indian Princess Programs for Boys and Girls ages K-3 and their Father figures to spend time together during a crucial point of social development. Along with the company of other Dads and their children, you can see the magic of "Time with Dad" work with your child. We encourage you to contact the South Hills YMCA staff or volunteers to discover why the Guides and Princess Programs are some of the most successful programs at the YMCA.

## BETHEL PARK SCHOOL DISTRICT

### RALLY

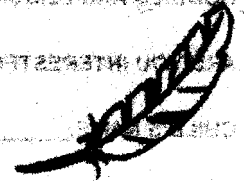

**Bethel Park Community Center**

**Tuesday, October 6, 2009**

**7:30-8:30 pm**

**SOUTH HILLS YMCA**  
**51 McMurray Road - 15241**  
**(412) 833-5600**

**Please Note: Every child can join regardless of your family situation. Call (412) 833-5600**

Note to Moms: Do your husbands, daughters and/or sons a HUGE favor and send them to our rally to learn more about the program. We are confident that they will thank you many times over in the years to come. And you will thank yourself - not only for fostering a stronger father/daughter and/or son relationship, but for the quiet time that will become available while Dads and daughters and sons are out making memories!

Four years ago, Mike Clark and I were among the founding members of the Papago tribe in the Princess program. Mike had some experience with the program as he and his son Sam were in a tribe with the Indian Guides. If you would have told me then that four years later I would be writing this letter to you, I wouldn't have believed you.

As we begin our fifth year, I can't begin to tell you about all the fun we have had and the many memories we have made with our daughters (Maddie (Clark) and Roanie and Randi (Johns)). As fathers and daughters, we have made friends with other members of the Bethel Park community as well as the surrounding communities served by the YMCA. Most importantly the Princess program has provided a vehicle for us to share precious one-on-one time with our daughters (and I'm sure Mike can say the same about his time in the Guides program with Sam.)

Please visit the web site to learn more about our programs [www.princesspatter.org](http://www.princesspatter.org) (Indian Princesses) and <http://southhillsareaymca.org/smoke/signals> (Indian Guides). If you have any questions please feel free to contact us at our homes. Mike and I would be happy to answer any questions you have. Also Moms, feel free to talk to our wives about the program too!

Joe and Fran Johns (412) 835-8227  
 Mike and Becky Clark (412) 831-7847

Thank you. We hope to see Dad and your daughter and/or son at the rally to be held Tuesday October 6 at 7:30p at the Bethel Park Community Center! We will be forming new tribes to get the memory making started!

Sincerely,  
 Joe Johns,  
 Big Brave, Papago Tribe
